## Monthly Newsletter

**MONTH - OCTOBER | ISSUE - 05 | YEAR - 2021**

### FROM THE PRINCIPAL'S DESK

**Mr. Suraj Koli**  
Principal

Dear Parents and students,

Hope you are fine and safe. As the academic session moves ahead in Oct, 2021 there again with covid-19. Education institutions have started and everything is going on smoothly. But Education India and REMS have not stopped imparting knowledge to your kids. Primary is running with variety of worksheets and high school with Offline classes. As usual we have conducted online classes, co-curricular activities & also some celebrations in this month. We have to think of creative ways to help our students unlock their potential in a holistic manner and build in the ability to learn and re-learn throughout their lives. The opportunities created by the pandemic have us aware of our strengths. We have further streamed our innovation curriculum. We are also arranging variety of activities for the upcoming months. Now, there is a end of Ist term and soon we will begin with Exams.

### SCHOOL NEWS

During the month of Oct, **REMS** organized variety of activities from Nursery to X std. The main aim was to empower the knowledge of children and check the potential and provide them opportunity to learn unlearnt skills and show their hidden talent.

### OBJECTIVE

- Provide unique opportunity of learning.
- Reinforce other means of communication
- Increase website traffic
- To provide activities which appeal to children's multiple intelligences and develop in them a diversity of perspectives and skills.

### REMS ACADEMICS & CELEBRATIONS

## Re-Opening Of Primary Classes

In the month of Oct, REMS school reopened for primary section. All the students and teachers were excited about the reopening of school after a long gap of Covid -19. Teachers decorated their classes and welcomed all the kids with a broad smile on their faces and recalling all the memories shared in school. Students were excited to meet their teachers and friends after a long time. School is following all the social norms suggested by govt. Students enjoyed their first day of school and now school is running successfully with 100% attendance. Students also enjoyed delicious cake & chocolate.

### Gandhiji & Shastriji's Jayanti

REMS staff celebrated GANDHI JAYANTI & SHASTRIJI'S Birth anniversary. Few other teachers shared their views on Gandhiji and Shastriji's contribution to our country INDIA.

### World Postal Day

World Postal Day is celebrated on 09th October. In India, the National Postal Day is celebrated annually on 10 October, as an extension of World Post Day.

Indian postal service has been an integral part of our county since 1854. From delivering mails to accepting deposits and providing retail services like bill collection, sale of forms, etc, it has touched many lives. The soldiers in glacier receiving letters from their wives and children, reading words of love and wait, daily happenings and news, it would bring a smile to their faces and would keep them strong.

At REMS students were encouraged to send a postcard /letter to a person who lived far away to experience the joy of patiently waiting for days to read the feelings of a loved one.

## World Mental Health Day

Objective of mental health day is to raise awareness of mental health issues around the world to mobilize efforts in support of mental health. The COVID-19 pandemic has had a major impact on people's mental health. This is the high time to make efforts to come out of this pandemic period. Keeping this in mind a session was taken in REMS for middle and secondary classes to make them aware to maintain their mental health by different activities.

**EDUCATION INDIA**

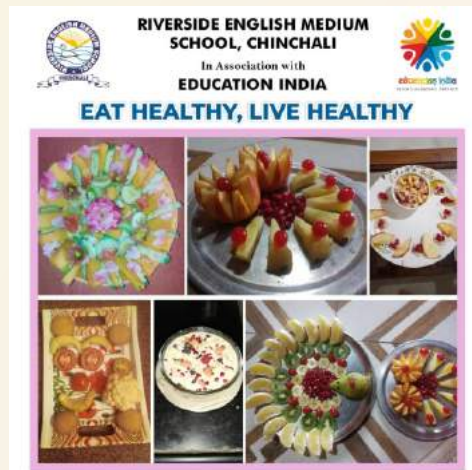

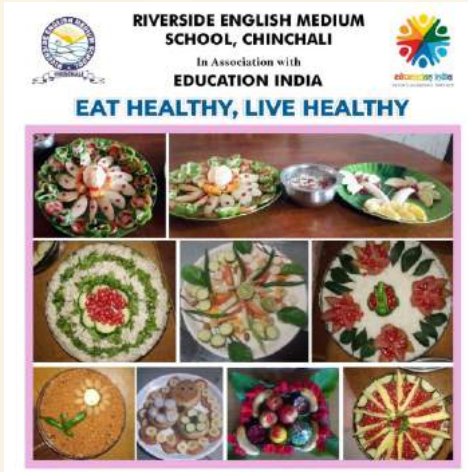

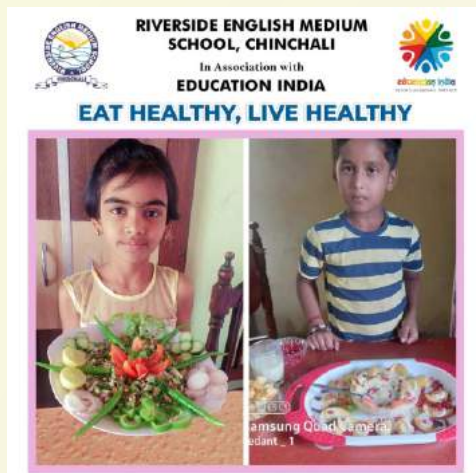

### TALK ON “MENTAL HEALTH IN AN UNEQUAL WORLD”

### World Food Day

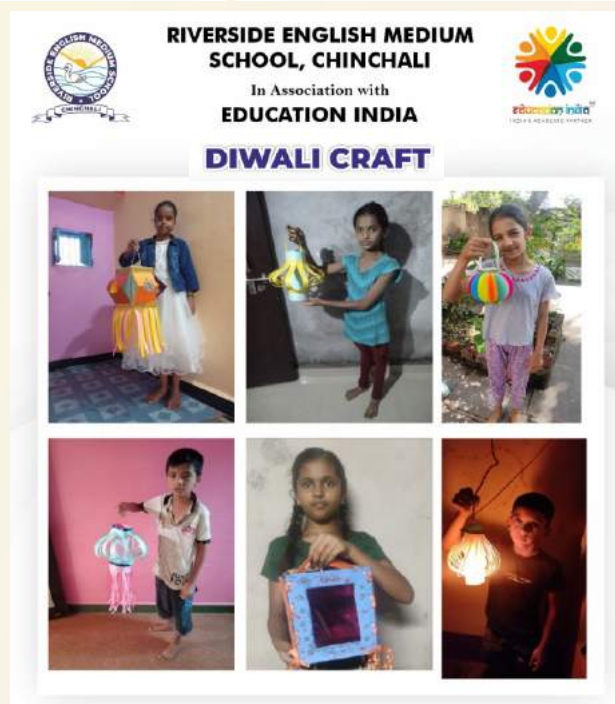

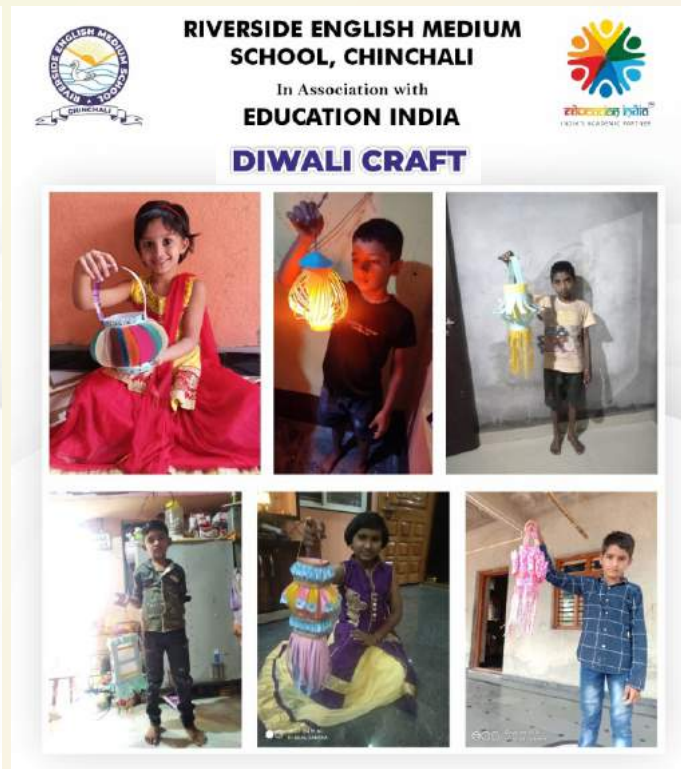

World Food Day is observed to tackle the global hunger crisis and to promote the message that food is a fundamental and basic human right. However, the food one chooses and the way it is consumed may affect our health. To sensitize students about healthy eating, fruit salad and vegetable salad making activity was conducted in the class integrating it with the science topic of balanced diet. Students of primary and pre-primary of REMS did this activity with full dedication and enjoyment. Teachers taught them how to prepare salads and benefits of healthy diet.

### Diwali Activity

Diwali, the festival of light, was celebrated with great gaiety at REMS. The students decided to decorate their homes with their own hand made lamps this Diwali. Under the direction of the teachers, the children made beautiful artworks. REMS family is always ready to make their children proficient in any field, be it knowledge or social education, the school is giving its all to its students to move ahead in every field.

A very happy Diwali.

### CO-CURRICULAR ACTIVITIES (CCA)

The students of REMS also enjoyed their cultural activities, dusshera activities and also participated in CCA competitions like- Tongue twisters, Riddles, Test your MEMORY & Calligraphy competition. All the students participated enthusiastically also secured certificates regarding the same.

#### Calligraphy (1st and 2nd)

Calligraphy Competition is used to inculcate the habit of good handwriting among students. The aim of the competition was to encourage the students to write neatly & present the content in a proper manner. The students exhibited their writing skills through different forms of calligraphic fonts.

#### Tongue Twister (3rd and 4th)

Tongue twister is a sentence or phrase that is intended to be difficult to say, especially when repeated quickly and often. Tongue twisters don't make a lot of sense, but they are filled with repeated sounds making them extremely helpful in speech therapy. Basically, a tongue twister works the same way as physical exercise. The more you practice, the better your pronunciation will be. We congratulate all the prize winners of this competition.

### Riddles (5th and 6th)

A riddle is a statement or question or phrase having a double or veiled meaning, put forth as a puzzle to be solved. They can be fun to ask. The trick is to let them squirm a little bit thinking of the possible answers before eventually letting them know the answer! Congrats to all the Riddles winners.

### Genius Hunt (7th and 8th)

Aptitude is inborn potential to do certain kinds of work whether developed or undeveloped. The innate nature of aptitude is in contrast to skills and achievement, which represent knowledge or ability that is gained through learning. Congratulations to all the winners of Genius Hunt competition.

### Quizathon (9th and 10th)

A quiz is a quick and informal assessment of student knowledge. A quiz refers to a short test of knowledge, typically around 10 questions in length, with question formats often including multiple choice, fill in the blanks, true or false and short answer. A quiz is much shorter than a traditional test or exam. Congrats to all the Quizathon winners.

### TEACHER'S TALK

Hi I am **Mrs. Pratibha Kulkarni** asst. Teacher of **REMS school Chinchali**. I have got an opportunity from Education India to work as a KG section teacher. I feel very much proud to work in this team as they are giving good knowledge to rural students. Also our students are enjoying their valuable time in the school. Our staff members are much talented and cooperative in work. Specially our school Principal Sir supports us in every situations which comes in management of school. He encourages all staff members for their inbuilt talent... I am getting very good experience working in Education India. My heartfelt gratitude to our Principal, Administrator and entire team of Education India for doing good job. Surely our kids have a very bright future.

Thank you

**Mrs. Pratibha Kulkarni**

### PARENT'S TALK

Hello Everyone I am Sandhya Koli parent of Nayonika Koli studying in grade I. It has made a great positive impact on my kid. REMS endeavors to instill a sense of self-discipline in the students. The school have nurtured the potential and talent of every individual. I am extremely happy with my daughter's performance. The school has excellent staff and environment. The school indeed makes every student strong and ensures that each student is able to realize his goals and strive for perfection.
